ABOUT US

The Pay It Forward Fund is a non-profit organization that helps Minnesota patients pay their bills while they undergo treatment for breast and women's cancers. We pay essential living expenses so patients can focus on what's really important — getting healthy.

HOW WE BEGAN

The fund was founded in 2005 by Michelle Morey of Orono, a breast cancer survivor, and her husband, Scott Bissen. Ever since their first donation was used to turn a patient's water back on, they have been passionate about helping other women who are undergoing cancer treatment.

HOW YOU CAN HELP

You can help us reach our goal of helping more Minnesota women while going through cancer pay their bills. Your school's donation will have an immediate impact on a patient's life, and **100% of our proceeds** are used to assist women in need.

For more information email payitforwardfund@gmail.com or visit www.payitforwardfund.net. If you would like a receipt, please make the donation directly to Pay It Forward Fund.
